Experience

Thinkful

Online

UX/ UI Design Program

07/2022 - 1/2023

- Conducted user surveys and interviews, leveraged data to develop personas, empathy and journey maps, user stories, and flows in order to make informed design decisions.
- Utilized the double-diamond process and design sprint.
- Created effective case studies to showcase findings and design decisions with clients and stakeholders.
- Produced professional projects from concept to completion including:
 - My City Bus (High-Fidelity Prototype) | [My City Bus Case Study](#)
 - Conducted user interviews and research through tools such as Google Forms and Slack.
 - Built a branded, high-fidelity clickable prototype using Figma and Illustrator.
 - Planned and conducted usability tests to ensure MVP of design plan had been met.
 - Presented to the Thinkful grading team as part of program certification requirements.

Goose Creek CISD

Baytown, TX

Adjunct Educator

08/2022 - Present

- Conduct research on theater arts activities, performances, and trends to develop and present lesson plans to over 100 students in grades 6 - 8.
- Communicate with administration, students, and parents to ensure proper safety and education standards were not only met but exceeded.
- Perform daily tasks including presenting lessons and taking attendance through digital databases.
- Develop individualized classroom management procedures for each class based on specific needs of students.
